

PIZZA BAKING INSTRUCTIONS

INSTRUCTIONS:

1. Preheat oven to 450° degrees.
2. Remove plastic wrap & instructions before baking.
3. Place pizza (with baking tray) on the center rack of oven.
4. Check pizza after about ten minutes, if any large bubbles appear; puncture with fork.
5. Average baking time is 12-18 minutes. Cooking times vary due to oven type & settings.
6. Pizza is done when the crust is golden brown & the cheese is melted.
7. Remove pizza from oven, let set a few minutes,
Slice, serve, & enjoy!

HELPFUL HINTS:

- Bake only one pizza at a time
- Rotate pizza a 1/2 turn during baking may result in more even browning.
- Baking tray may discolor which is normal if you are not going to bake the pizza within 30 minutes, refrigerate up to 24 hours.
- If pizza was refrigerated, remove from refrigerator 30 minutes prior to baking.
